

Adaptable professional embarking on a new chapter in my career. Keeping one foot outside of my comfort zone has helped me build my skills, one step at a time. Organized and methodical, I prefer to plan before taking action and always strive for improvement. I am excited to join a team, continue learning, and take on new challenges.

## SKILLS

### Front-End & Back-End

- HTML
- CSS
- JavaScript
- React & Redux
- Next.js
- Node.js & Express
