

Amersfoort, The Netherlands | 06 37 27 41 04 | celine.le.corv@gmail.com

I am a dedicated front-end developer with a deep interest for creating user-centered experiences, particularly with accessibility in mind. I am committed to learning new technologies and, actively seeking out opportunities to expand my knowledge. As a team player at heart, I value collaboration because it brings people together to share ideas, solve problems, and create better solutions.

SKILLS
