Céline Le Corvaisier
Frontend Developer

Amersfoort, The Netherlands | 06 37 27 41 04 | celine.le.corv@gmail.com

---

Dedicated frontend developer with a deep interest for creating user-centered experiences, with accessibility in mind. Committed to learning new technologies and, actively seeking out opportunities to expand my knowledge. As a team player at heart, I value collaboration, it brings people together to share ideas, solve problems, and create better solutions.

Recommendations available on my underline{linkedin profile}.
